Letter from the Lodge Chief

Fellow Scouts,

Please use the Tipisa Lodge "Where to go Camping" Guide to find quality camping opportunities in Florida. One of the Order of the Arrow's purposes is to promote camping, not only in our Lodge, but also our units.

I hope this guide will help your unit find camping opportunities for today and help "Serve Our Future."

In Wimachtendienk,

David Yannick
2010-2011 Lodge Chief

Tipisa Lodge #326

"Serving Our Future"

Acknowledgements

Since its founding in 1915, one of the Order of the Arrows main purposes has been to promote camping, not only within our Lodges, but also in the troops that our members hail from.

This guide has been compiled by the Camping Promotions Committee of Tipisa Lodge 326. The “Where to go Camping Guide” is one of the ways the Camping Promotions Committee works to promote camping to the various troops and teams in Central Florida.

The Camping Promotions Committee hopes that this guide will lead too much more scout camping in Central Florida and that the locations will vary due to the wealth of information this guide has to offer.

We also need to thank those members of the Camping Promotions Committee for their hard work and dedication on this project:

John Purner	Logan Taaffe	Johnny Cirillo
Dustin Harris	Melissa Haymes	

Yours in Brotherhood and Scouting,

Andrew Turner

Camping Promotions Chairman 2010-2011

How to use this book

The Where to go Camping Guide is an informational source on camping in Central Florida. The guide has many ways to get information about any given campsite. It has a list of campsites arranged by county. From the campsite name you can look for the campsite informational pages which are arranged also by county. There you will find address, phone number, email address and the amenities the campsite has to offer.

We are also asking that if you have any questions about a campsite, comments on the book, if you find we are missing any campsites, or if you find any of our information to be wrong or outdated please contact us with the correct information so that we can update the book so that it is the best it can be. You can send an email with any questions, comments, or updates to the Camping Promotions Chairman at andrew@turnerrealestate.info

We of the Camping Promotions committee hope that this camping guide becomes an integral part of your troops/teams resources and hope that it serves its purpose as best as it can.
