Website Competition SC 2025

Chapter: _____

Description: The Website Competition will focus attention on the following criteria that lead to a high-quality publication

Presentation: Each presenter will be given 10 minutes to present all the material that they have prepared. Presentations should include both quantitative and qualitative information that appropriately represents their Chapter.

Scoring: After the presentation period, there will be a 5-minute period where the presenters can ask questions about the presentation; following the period for questioning, presenters will score the presentation. Any time may be amended at the discretion of the Website chair
