# The Calling Success

## What we learned

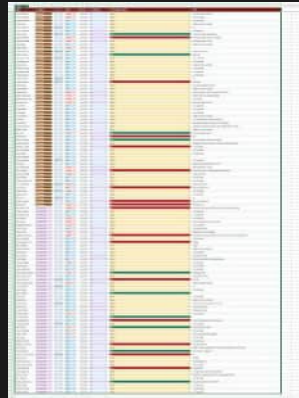

- Incorrect contact info is common within our system
- Parents phone #s often listed as youth's
- Need to use new app and unit elections to solve this issue

- Has a lodge we called **537 brothers**
- This included ALL Youth within the lodge who were not registered for FF

## For Reference

This is on  
max zoom on  
browser and  
sheets

SO A LOT OF BROTHERS!!!

## Thanks Part 1

I would like to shout out these helpers who went above and beyond

- Ben Weger: who called 60 extra YA
- Adelina Morrison: Who called 40 extra female Y

Thanks cont.

- Antonio Pizza: Who organized calling all Huracan members including adults and dues paid from last year
- Jacob Smith who assisted in calling Kikape brotherhood eligible

**Thank you to everyone who helped accomplished this massive task**

## Cool Chart (Looks Tasty)

117/537 or  
approx 22%

1 out of 5 calls  
led to registration

## Takeaways

- Calling people gets them to attend weekends
- The entire lodge leadership team from chapter to lodge came together successfully
- We need to ensure correct contact information is recorded
